Parent-Teacher Conferences

Online Scheduling

Parent/Teacher Conferences are right around the corner. We are scheduling conferences online. This is available on the Woodbridge web page. Simply go to http://woodbridge.zps.org and follow the link. Once you register your email address you will be sent an email to sign up for the conference time that works best for you.

If you have a busy schedule and have limited availability, we recommend that you schedule your conference right away because it is first come, first serve. If you run into any difficulties, or you do not have internet access or an email address, please call the office at 748-3400 or stop in to schedule your conference.

For the benefit of your child, if they are part of more than one household, we ask that you schedule only one conference together.

DRESSING FOR THE WEATHER

We all know that Michigan has very unpredictable weather. Please be sure your child is ready for the changes. Students will be outside for two recesses a day and they should be prepared with coats, hats and footwear that are appropriate.

We do expect that children will go outside during recess periods, unless the temperature is an actual 10 or the wind chill is –10.

Being dressed appropriately makes the recess periods a pleasant time to get some fresh air and "recharge the batteries" for another round of classroom learning.

We have already received notes to have students stay in during recess or noon hour. Our policy states that we believe it is very important that students have their outside recess time. There might be an unusual situation where a student needs to stay inside, but being outside does not cause illness.

When considering a request to allow a student to stay in for health reasons, please consider whether your child should really be in school or not. It might be better to stay home to avoid spreading the illness to other students.
