## End of the Year

### Library Book Return

We're wrapping up our last couple of weeks checking out library books. The last week for checking out library books will be May 12-16. All library books are due back to the library by May 30th. Our students are Racing To The Finish to see if they can have all library books returned. The classes that have all library books returned/paid for will receive a flashlight reading party in the library! Look high and low for those library books and see that they're returned before Friday the 30th so your child's class can participate in the flashlight reading party! Thanks for partnering with us to keep our library resources available for all students.

Yearbooks went home with students last week. If you did not order one, it is not too late! Please follow this [link](#) to order one and have it shipped to your home.
