Term 1 report cards will look a little different this year! In an effort to streamline our reporting process, our report card software has been set to display **only items being marked at this time**, rather than displaying all items for the year and leaving those not being marked blank, as has been past practice. This will likely make fall report cards shorter than they have been in the past, but hopefully easier to read and understand how your student is progressing. It will also mean that grading standards for specials will not appear on the report card until they are marked in term 2. Please reach out to our district curriculum office with any questions you might have. ([jpateric@zps.org](mailto:jpateric@zps.org))

## DRESSING FOR THE WEATHER

We all know that Michigan has very unpredictable weather! Be sure your child is ready for the changes. Students will be outside for two recesses a day and they should be prepared with coats, hats and footwear that are appropriate for the weather. Being dressed appropriately makes the recess periods a more pleasant time to get some fresh air and "recharge the batteries" for another round of classroom learning. The following guidelines should be observed when sending your child to school: Less than 40 degrees = Winter Coats are needed; 41-50 degrees = arms should be covered; over 51 degrees = no restrictions for sleeves/coats. Thank you for your cooperation!
