HEARING AND VISION

Lincoln Elementary will be hosting the Ottawa County Health Department for our annual Hearing and Vision testing on the following dates:

Hearing Testing (Grades K, 2, 4) - Wednesday, November 19

Vision Testing (Grades 1, 3, 5) - Thursday, November 20

If a parent chooses to opt their child out of screening, written documentation is required and must include:

*Student's name, date of birth, teacher, and grade

*Which screening is being declined (hearing or vision) and screening date

*Parent's name and date

Important medical considerations:

- Students with shunts or medically implanted devices should not receive a hearing screening due to potential magnetic interference with the headphones.
- Parental consent is required for hearing screenings for students with insulin pumps or continuous glucose monitors.
