Lincoln Elementary is an amazing place! As the new school year started back in August, I knew that it would be filled with a variety of experiences and adventures for our students, staff, and their families. Lincoln began the year with a bang through our Fitness Frenzy fundraiser, raising over \$35,000 to support our school. This is an amazing gift to our students to support their continued growth and experiences throughout the year. Our students continued to grow and learn together and in early November teachers were able to meet with families at Parent-Teacher Conferences. As a school, we were able to meet with greater than 95% of our families and through these conversations build stronger connections and relationships. As we head into the Holiday season, I am again reminded of the amazing students, staff and families that we have at Lincoln. Over the past few weeks we participated in both the Lincoln Penny Wars and Toys for Tots. Each of these activities focus on giving back to our community and those in need. Through the Penny Wars, students raised over \$4,000 and Toys for Tots brought in over 130 toys!

All of the examples above are only a glimpse into why I believe Lincoln Elementary is an amazing place. As we head into the Holiday Break I want to express my gratitude for all of the Lincoln Elementary community. Thank you for being amazing and thank you for your continued support of Lincoln Elementary.

Happy Holidays,

Mr. Roon
