Dismissal Notes

As we continue to work with our students to teach them about being safe throughout the day at school, one aspect that we want to continue to promote with our students is using the crosswalk at the end of each school day. For families who typically pick up their kids from Lincoln using the "walker door" we would like to encourage you to use the crosswalk at Lincoln and Elm. This is just one more way that we can teach our students how to be safe, not just at school but also in their community. We know that it can be busy at the end of the school, but we thank you for working alongside us to teach safe ways to cross the street and get home safely!
