Volunteer Background Check Information From Administration

ZPS is dedicated to maintaining a safe, secure, and nurturing environment for all our students. Using background checks is one of the many ways we fulfill this commitment. There are incredible field trips planned for the upcoming months. Parent and caregiver involvement as a chaperone is greatly appreciated. All volunteers must complete a background check at least 48 hours before an event. It takes about 5 minutes to complete. Without this background check, parents will be unable to chaperone trips, and we want to avoid any unnecessary disappointment for both our students and parents.
