

## Jazz/Tap Company Tuition Statement

**Company Dues registration will open Aug 29: A registration link will be available on the ZYDC web page**

Zeeland Recreation is proud to offer a program that is an exceptional value and offers an expanded amount of performance opportunities for the serious dancer. The cost for Jazz/Tap for the 2021-22 season will be as follows:

\$324 (four payments of \$81)

Payments are due on or before the following dates: **Sept 12, Nov 14, Jan 9, and Mar 26**

You may notice these dates are all Mondays, allowing you the convenience of paying on an evening when you are already at the Recreation Center. Although we've offered the ease of breaking this sum into payments, **if a payment is not made by the due date, the dancer may not participate in Company** on that evening or until the balance is paid. Absolutely no exceptions can be made to this rule, for liability sake. Careful attendance is taken on these evenings. Please take advantage of the Recreation office's willingness to break the cost into installments, and please don't put the instructors in the position of not allowing a child to participate because of an outstanding balance.
